TLED Generative Research - User Protocol

User Name - User 1

Objective
1. Understand the background of faculty and why they choose to teach at ACC
2. Define what the college and personal goals are for the faculty and how they achieve them.
3. Determine the ways and the extent to which faculty feels supported in achieving their goals.
4. Identify the satisfying and frustrating aspects of the faculty's experience.
5. Understand how the faculty's teaching practice changes, and develops over time to be more successful in achieving their goals.

Introduction
Thank you for agreeing to talk to us about your experience of teaching at ACC. We hope that our research will help the college better understand the faculty experience. Feel free to share your real thoughts and feelings about teaching as all of your input and comments will be anonymous. Before we get started I wanted to get your permission to record this conversation. I want to make sure that I can really focus on what you are saying and not on taking notes. Is it ok if I record this conversation? Great thank you so much, let's get started...

Q1 What made you want to teach?	A1
Q2 Why did you choose to work at ACC? A. How do you originally feel about that choice and how has this changed over time?	A2 A2a
